

## Workshop

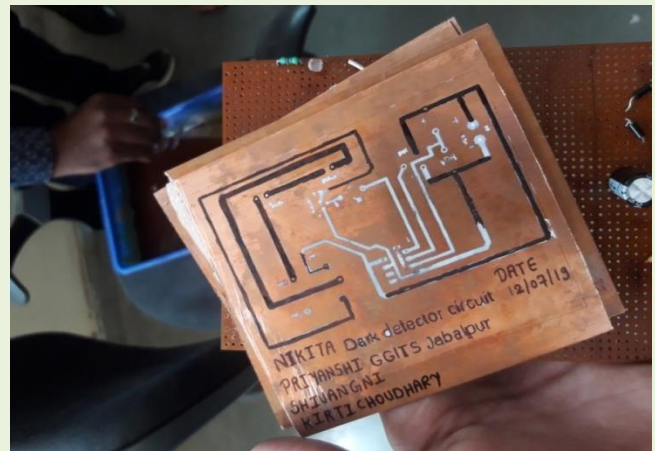

### Hands on Workshop on EDA Electrical /Electronics Design Automations

Department of Electrical Engineering exploring in-house training on EDA ( Electrical/Electronic Circuit Design Automation Tool for circuit designing, schematic creation, simulations and designing of PCB) in collaboration with IIT BOMBAY for III semester students of EE Department.

The training will be scheduled from 8th to 13th July 2019.

## Key Points

- Electronics Components Identification
- PCB Designing
- Circuit Development and its Testing

## Teacher Day Celebration

Teacher Day celebration organized by students of EE Department on 14/09/2019 venue ED Hall 2

## Social Cause Events

Participation of EE Students in Neon Run Jabalpur Organised by Election Commission of Jabalpur  
Race started by IAS officer Chabi Bharadwaj  
It was started from near GOVT. science college to DUMNA airport
