Welcome to ICICAI 2026

The IEEE International Conference on Intelligent Computing and Artificial Intelligence (ICICAI-2026) is being organized by the Department of Computer Science and Engineering, Gyan Ganga Institute of Technology & Sciences (GGITS), Jabalpur, Madhya Pradesh, India, and will be held on 11th & 12thDec 2026.

ICICAI-2026 aims to provide a prestigious international platform for researchers, academicians, industry professionals, and students to present and discuss recent innovations, trends, challenges, and future directions in the fields of Intelligent Computing and Artificial Intelligence.

Submission Guidelines : Authors are advised to submit full paper of 4-6 pages (6 pages will be in registration fee and additional pages will be charged) for oral presentation More than 8 pages not permitted. Submitted papers should contain original, unpublished material not currently under review for any other conference/journal.

All papers must follow strict IEEE formatting instructions. Violation of which may lead to rejection of the paper.

Paper Submission: Authors are encouraged to submit their papers using CMT online submission system. Papers can be submitted online by CLICK Links. You may contact on e-mail: icicai2026@ggits.ac.in if facing problems in submission. All papers will be peer reviewed by at least three independent referees from the panel of international reviewers and will undergo plagiarism check

(Refer IEEE Note on Plagiarism). The papers should be submitted in 2 column IEEE standard format in word .doc or .pdf format only. The authors are requested not to prefix their credentials i.e. Dr., Prof. etc. in authors name. Download template for manuscript submission template.doc , template.pdf and Latex.zip

Authors of accepted papers will need to sign a IEEE copyright release form online when link is received and must present this paper at the conference. All presented papers will be published in the conference proceedings and will be linked on IEEE Xplore.

The past conferences have acceptance rate of less than 25% and in no case the acceptance rate of this conference will go above this. the organisers are using standard plagiarism checking tools to scan the papers and papers will be rejected at any stage if found plagiarised.

SCOPE

The International Conference on Intelligent Computing and Artificial Intelligence (ICICAI-2026), organized by the Department of Computer Science and Engineering at GGITS, Jabalpur, and sponsored by IEEE Madhya Pradesh Section, focuses on advancements in intelligent computing and AI. The conference covers emerging areas such as machine learning, deep learning, and robotics, while promoting interdisciplinary collaboration to address real-world challenges. Discussions will include theoretical foundations, algorithms, and applications across sectors like healthcare and agriculture, with an emphasis on ethics and responsible AI use. It features keynote talks, technical sessions, and networking opportunities to foster innovation and impactful research.

Registration

Please note that only one paper and one presenter is covered by an author registration. Authors with multiple papers need to register extra paper as per chart below. Also if more than one authors are coming for presentation then additional amount of attendee has to be credited. Normal paper is 6 pages and each extra page costs US$10/page. Paper with more than 8 pages not allowed.
